Bus. Type: Cannabis Sale/Lease: For Lease Bldg. Name: -**Bus. Name:** Vibes Cannabis Dispensary Kingsland Size: 1,387 sq.ft. Zoning: Addl. Cost: Based on Year: **Utilities:** Parking: Lot Size: Lot Feat:

This is a rare opportunity to acquire a fully licensed cannabis retail store located on high-traffic Elbow Drive SW in Calgary. Spanning 1,387 sq. ft., this boutique-style store features a beautifully designed interior with over \$450,000 invested in custom construction, finishes, and compliance. Originally a 1990s office, the space has been fully transformed into an upscale and fully compliant cannabis retail environment. The store includes a high-tech security vault, a kitchen, a dedicated office, and an additional multipurpose room, offering flexibility for operations and future growth. The zoning is approved for cannabis retail, and all permits and infrastructure are in place—making this a highly attractive asset sale for a new operator. Strategically positioned on a major commuter corridor, this is the only cannabis store along Elbow Drive for approximately 6 km in either direction, offering excellent exposure and untapped market potential. All retail fixtures, displays, and equipment are included in the sale. A signed Confidentiality Agreement (NDA) is required to access further details, including financials and private showing.
