1,083 Square foot bi level in a nice part of Hillside. Nice children's playground across the street. Private backyard with an easement behind. Large deck with storage. House has 3 bedrooms up and an ensuite off the Primary bedroom. The basement is set up so that it could be used for a home business such as a hair salon (was once used for this). It has two bathrooms in the basement, a large rec room with a fireplace and one bedroom. The laundry is in the basement. With a few updates this could be a really good family home or a good rental property.
