Brand new everything! This acreage was developed over the last 2 years so all utilities, home and shop were all done in 2023. The home is a custom 22' wide Modular and still has the new home warranty. With an open concept and 4 bedrooms, this home is a showstopper and also boast a constant pressure controller as well as an extra large covered deck. The acreage itself is fenced and cross-fenced with an auto-waterer strategically placed as well as a frost free hydrant between the shop and house. The shop has 220 power, 14' walls, 6" concrete, drain, radiant heat and in-floor heat plumbed in. All of this with an amazing mountain view to the west.
