with ease. Throughout the home, you'll appreciate the thoughtful upgrades: built-ins, 8-foot doors, and high-end finishes that add sophistication at every turn. The legal, fully self-contained two-bedroom basement suite is completely separated from the primary dwelling, offering privacy and flexibility. With upgraded Samsung appliances, its own living room, and laundry, it's perfect for extended family or rental income. Comfort is seamless year-round with air conditioning, while outside, the low-maintenance backyard feels like your own private retreat. Enjoy full landscaping, exposed aggregate, a pergola for summer evenings, and privacy screens along the fencing.
