Easily zoned back to COMMERCIAL. Lovingly cared for home on private acreage just west of Carstairs and on a paved road. 2019 sq ft above grade and another 980 on the lower level. This home is well laid out and in extremely good condition. Jenn-Air gas stovetop. Mountain view from many rooms. Well is 12 gpm. The Master bedroom is on the 2nd level and includes a well-proportioned ensuite with a jetted tub, his-and-hers sinks, and a walk-in closet. Other room(s) - Den, Office, or dining room could transition to bedrooms if your family needs the space. The fully developed walk-out basement includes a family room with a fireplace, an office, a bedroom, and a full bathroom. Lots of light and nice views. Newer Hunter Douglas blinds. The shop is a car buff's dream and easily parks 6, but could likely park 9. It is 40 feet by 80 feet with 12' high ceilings. It has 3 bays with doors measuring 10' high. 1 door is 14' wide, the other 2 are 16' wide. One bay is heated with in-floor heating; the other two bays are heated with overhead radiant heat. Floor drains are in each bay. There is a 3-piece bathroom inside the shop. It also has a washer and dryer, fridge, and stove. All equipment will stay with the shop: welder, chop saws, air compressor, etc.
